"Phobia to Water" - 1st Prize "Edafo-Videos" Context of the SECS

Diana Elisa Jiménez de Santiago and Marta Vilarrasa Nogué, predoctoral fellows of the University of Lleida at the Department of Environment and Soil Sciences, have won the 1st Prize of the Edafo-Videos Competition organized by the Spanish Society of Soil Science (SECS, Section of Soil Teaching and Public Safety). The 2nd Prize was won by Noemí Mateo Marín, ex-alumni of the Interuniversity Master's Degree in Soil and Water, coordinated by Professor Rosa M. Poch (<http://www.magsa.udl.cat/ca/index.html> [<http://www.magsa.udl.cat/ca/index.html>]). Congratulations. Link to the news:
